### Experimental Furniture in AB-7/106

In AB-7/106, we are experimenting with Chair-a-Mez, a chair table combination that is flexible and lets users sit in different postures, works for right and left handers and allows flexible layouts. Please see further information [here](#) about how this can be used. Please do share your feedback by writing to [campus@iitgn.ac.in](mailto:campus@iitgn.ac.in).

### Central Vista

The Central Vista work is completed and there have been 400 trees planted. The Jal Mandap and other seating areas are open for use. Some of the trees that are planted in the Central Vista are Indian Tree of Heaven (*Ailanthus excels*), Neem, Kassod (Siamese Senna), Gulmohar, Banyan, Fig Tree, Mahua

(*Madhuca longifolia*), Jambu, Tamarind and Badam.

### Open Air Theatre

The detailed design for Open Air Theatre is completed. The construction activities will start soon. It is planned to have a capacity of 2000, and will be integrated with a garden, thus facilitating large events and evening walks alike.

### Research Park & Incubation Center

Both the IITGN research park and the incubation center activities will soon move to the recently completed Academic Block 9. In the meantime, a significantly larger research park facility is being developed just north of the scenic drive. The architectural design activities are being concluded and the construction activities will start in the next few months.

### Day Care Center

The IITGN Day Care Center was started in March 2014 as a community initiative to provide a safe, secure, and nurturing environment to the children from IITGN families. In addition to daily care and activities, the center from time to time undertakes several special activities such as kids-supported agriculture, summer camp, festival

celebrations, sports camps, various art, craft, and activity-workshops, and other such initiatives. This center has been steadily growing and currently engages more than 45 of our children in various such activities.
