Gutka-free Campus

Please help make this campus a Gutka-free and Pan-free campus. We are ramping up efforts towards achieving this goal, meanwhile if you spot any such incidents, please feel free to warn the person responsible or warn the nearest security guard.

No Signs on Walls & Poles

Absolutely no posting of signs, bills, and announcements on walls, poles or pillars, please. You may consider using the new movable signage boards if they are available.

Coffee Machines

The new coffee machines in Block 6 are for public consumption, however do remember to contribute (using the contribution box). We will not be able to sustain them if we do not generate enough contributions from the users. User contributions last month were approximately Rs. 1800.
